“Life Begins at 60” Our panelists of the chat show

Shamlu Dudeja: She is a Kantha revivalist and the founder of Self Help Enterprise (SHE) which works on women's empowerment and livelihood through revival of Kantha art.

Shuvaprasanna: He is an Indian artist and an active member of the 'Calcutta Painters' group. He is the founder of College of Visual Arts and Arts Acre Foundation Museum of Bengal modern art in Rajarhat, Newtown.

Nandita Roy: She is an Indian Filmmaker and Screenwriter. She made her directorial debut with the film *Ichhe* (2011). She has directed films like *Muktodhara*, *Praktan*, *Posto* and *Bela Sheshe*.

Bharti Ray: A Historian and Educationist, she taught history at Calcutta University and was the Pro-Vice-Chancellor from 1988-95. She is currently Vice President of the Indian Council for Cultural Relations.

Adda: Our topic 'Life begins at 60...' it was an immensely enjoyable 'adda session' with Educationist Bharati Ray, kantha revivalist Shamlu Dudeja, artist Shri Shuvaprasanna and filmmaker Nandita Roy and the convenors were PP Dipti Khaitan and President Riju Chamaria.

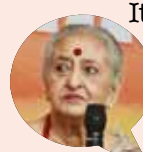

Shamluji startled us when she said her life began at 60 when due to circumstances she had to start thinking of a career with the kantha workers. She was extremely magnanimous in saying that the workers empowered her when they came to her with their problems and she could help them out in her own little way.

Prof Bharati Ray went a step further and said that she never had any formal education but was home tutored always. Here is a former Pro Vice-Chancellor of the Calcutta University saying this and now at

Apnalay she saw a new home where life begins at 60. Our residents Mamata Saha and Kanak di have started taking adult literacy classes and feel so confident with this new education in their lives.

Shri Shuvaprasanna reiterated that any learning begins from the time one is born. You cannot become anyone overnight but it is a lifetime process and there is always some learning every day. Filmmaker Nandita Ray informed us that her career started after the age of 50. She had been done with her duties towards bringing up her children and was ready for new ventures when her association with Shiboprasad happened and the rest we know is history. Amazing films like *Belasheshe*, *Ichhe*, *Randhanu*, *Muktodhara*, *Posto*, *Praktan* and *Accident* were made by this awesome duo.

They appreciated...

It was great to see you and your colleagues giving so much time and energy to a

CAUSE. The effort was

so spontaneous and genuine.

And the home you all made

for the aged would certainly

be a home for them. You have

fulfilled to the extent possible for

a non-profit organisation a need

of the hour. I admire and respect

you and your team.

– **Bharti Ray**

My heartiest congratulations for completing such a fantastic accommodation in such a brief period of time. Extremely creditable! All of you will receive blessings from so many happy and satisfied seniors staying there. I am sure Apnalay 2 will be coming up soon.

– **Shamlu Dudeja**

Koffee with Kamala

Kamala Ramakrishnan
IIW President, 2007-08

SEASON 2

The feelings that conjures up when one dwells into the flashback of life is difficult to express and put in as many words. One can only feel the emotions and smile with the teary eyes at the time gone by, which eventually may have led to the achievements today!!

That's exactly what I felt when I led our very special, much admired and loving guest Kamala Ramakrishnan, Past International Inner Wheel President to Apnalay on 3rd March 2018, exactly a month later of celebrating one year of successfully running of Apnalay- our home for senior citizens, in Kolkata. It was way back on 10th January 2007, eleven years back, when our illustrious IIW Vice President Kamala had laid the foundation stone for this home.

Upon arrival she eagerly took a round of the home accompanied by President Riju Chamaria, Secretary Dipti Chamaria, PP An-

jana Bhuwania and myself. She was impressed and was truly in admiration of this well maintained home. Later on, she went on to comment that "Apnalay is one of the most inspiring success stories in our Inner Wheel Movement."

An exclusive tete-a tete "Koffee with Kamala-season 2" was to follow just after with a moderate count of members and guests. The exclusive audience was in tune and all ears to her expression. Each one felt privileged and personally could connect to her. In fact they also indulged in asking a few questions to her and shared a few facts on some topics. We were privileged to have Past IIWR and PAP Dr Lalita Seth, District Chairman Vinny Kandhaari and PDC Jayanti Dutta with us.

The answer to a pertinent question like "what would you convey to our Inner Wheel members" was simply "Stay relevant!! If a service becomes redundant today, then simply look for other avenues concerning today's problems and issues." A sincere request and advise from her was to bring in more young and smart members in 20s and 30s to take the Inner Wheel forward. The audience made a serious note of the fact and applauded in unison. It was interesting to know Kamala as a multifaceted person- a working woman, a volunteer, a member and a leader of the International Inner Wheel.

When asked whom does she look up to and admires in Inner Wheel, as she herself is admired by many? Along with all the Association Presidents, she specially took names of Late PAP Leela Ratnam - who was a mentor and a guide to her and PAP Mano Bhaktavatsalam, who acted as a beacon of life for Kamala, both being seniors in her own club IWC of Madras.

The Koffee session got over with a rapid fire round with questions like- what is her strength, weakness, favorite destination, favorite food joint, her inspiration etc. which she answered as rapidly as with much confidence. In the end, after a short photo stint with her there was still a lot to catch up for everyone over the sumptuous tea and snacks.

I thank Kamla for taking out time from her busy schedule and visiting Apnalay.

– Mamta Agarwal, Chairman Apnalay

Kamala said it...

Apnalay is one of the most inspiring success stories in our Inner Wheel movement. To dream a tough dream and turn it into reality is not easy. Your club has done it and I commend you for your commitment and total dedication. Apnalay stands tall today as a well maintained, beautiful space helping old people live a life of dignity and comfort.

PIIWP Dr Pallavi Shah's visit to Apnalay

She Praised it...

Mon, 12th Mar: "Commit with Conviction Compassion and Consistency" was the theme given by Dr Pallavi Shah when she led the International Inner Wheel in 2010-11. The interesting fact is that in the same year, the current International President Dr Kapila Gupta was the Association President, current DC Vinny Kandhari was her club President and our own PP Aruna Murar-

ka was serving as the President of our club. During that year the club achieved a lot by adhering to the IIW theme.

Pallaviji happens to be the 6th International President to visit Apnalay today. It is a rare feat for Apnalay or for any such project which has had international luminaries like Past IIW Presidents Minna Kapur, Carol Young, Abha Gupta, Charlotte De Vos, Kamala Ra-

Senior citizens' living is need of the day.

The best part is the quality material and artistic interior. The team work of your club is exemplary. May you continue this good work of 'Apnalay' and be blessed.

With all appreciation & blessings for continuous work.

makrishnan and Dr Pallavi Shah as visitors. It is indeed a matter of great pride and privilege for us. Three cheers to IWC Central Calcutta and Apnalay!!!

– **Mamta Agarwal**, *Chairman Apnalay*

President's message

Hello Friends,

It gives me immense pleasure to congratulate Past Association Treasurer and PP Mamta Gupta on winning the most coveted post of Association Vice-President for the year 2018-2019. We at IWC-CC are so proud of her and wish her all success in her future endeavours.

The month of January brings celebrations galore with it. Saraswati Puja and Republic day was celebrated with the residents of Apnalay on 22nd & 26th January respectively.

Our annual event 'Husbands Day Out' on the 14th January at 'Arts Acre' saw every spouse together with their partner creating wonders on the canvas. Plenty of sleeping artists came alive where the paintings ranged from scenery to sun-

rise, amazing card design re-discovered and many colourful paintings.

In the field of education, student Aman Shaw was given a cheque to complete his final engineering semester, a drinking water station was installed in Kankurgachi School under the WINS project and finally under medical help - a cheque of Rs 1 lakh was given to the Cancer Hospital on the occasion of the registration of the first resident of our home for senior citizens – Apnalay.

Aagaman at Apnalay on 3rd Feb to mark the stay of our first resident - had an immensely enjoyable 'adda session' with Educationist Bharati Ray, kantha revivalist Shamlu Dudeja, artist Shri Shuvaprassana and filmmaker Nandita Roy and the convenors were PP Dipti Khaitan and myself.

'Koffee with Kamala – season 2... on 3rd March was a Cosy and sophisticated meeting... Two intelligent and elegant

ladies... Mamta Agarwal and Kamla Ramkrishnan ...on a chit chat... One questioning and other answering... It was a visual treat and so much learning... One of the best interviews ever...

PIIWP Dr Pallavi Shah visited Apnalay on 12th March, and we got an opportunity to interact with yet another Past IIW President in a short span of 10 days. She said that Project like Apnalay was an outcome of exemplary teamwork. We were fortunate to have Subala project done by her hands that day.

It has been an extremely busy but exceptionally satisfying three months of the new calendar year and hope that we at Inner Wheel keep getting opportunities to give back to society what we have received in abundance from it.

Yours-in-wheel

Riju Chamaria

Husbands' Day Out

At Arts Acre Foundation on 14th January 2018

A day of creative experience was planned for our better halves. The unlimited fun started as the spouses (some along with their respective wife) splashed their canvases into spellbinding pieces of Art. Some sculpted their expression into works of Art. While colourful kites paint the sky on this day in many parts of India, here we could see captivating canvases in all different hues possible. Sir Sameer Roy, a renowned artist guided

all with their creative imaginations.

The next activity – a couple game “पर्दा ना उठाओ, नहीं तो, पोल खुल जायेगा” was played with much zeal in full spirits.

The finale – a dance performance “RANG” best described by “मैंने तेरे लिय ही सात संग के सपने चुने” captivated the audience. The performers were PAP Mamta Agarwal, President Riju, ISO Seema Gupta, Editor Archana Gupta, Archana

na Agarwal, Madhu, Manisha, Neelam, Rekha Daruka, Savita, Sonam & myself. Lunch laid out at the cafeteria was scrumptious. Team “HUM PAANCH” comprising of Riju, Savita, Seema Gupta, Sonam & myself worked hard proving again that teamwork is the rich legacy of our club.

I am sure the Husbands of our club members went home from the celebrations taking back joyous moments along with their soulful artwork. The landscape and exquisite green surrounding of Arts Acre made it a day to be etched in our memory.

Lastly I would like to thank PAP Mamta Agarwal for her guidance and PP Renu Lakhotia for her hospitality.
