## From the Desk of the President

Dear friends,

**The month of March brings with it the beautiful colors of spring and Holi. For Inner Wheel club of Central Calcutta it has special significance as the club was formed on 17th March 1989.**

The New Year 2019 started with array of projects, events and celebrations galore. Saraswati Puja, Republic Day and Second Anniversary of Apnalay-Aagaman were celebrated with members and residents of Apnalay.

Our annual event 'Husband's Day Out' was organized on 13th January at Vinita Poddar's farmhouse. Members with their spouses enjoyed this epic day which was themed and decorated as a Carnival. It brought out the childhood in everyone. It was exciting to see spouses competing to win the gold medals.

In the field of education - on 21st January we inaugurated the first floor of Prithwish Chandra Biswas Kanya Mahavidhyalay at Dashghara. This college provides higher education to underprivileged girls of this village. We have donated and installed **85 computers** till date in various institutions. **E-learning kits** was successfully installed at Adarsh Hindi School and Kulti GSFP School which would benefit hundreds of children.

The Servo Flurane Vaporizer has been donated to Hope Hospital, which will be useful for the underprivileged during their surgeries. Friends, 19th February witnessed one more meaningful project - the inauguration of a **Water Kiosk at Golpark**, which will quench thirst of innumerable pedestrians.

It has been an extremely busy but exceptionally satisfying three months of the New Calendar Year. Hope that we at Inner wheel keep getting opportunities to give back to the Society what we have received in abundance from it.

**Red for Love, Green for Prosperity, Orange for Success and Pink for Happiness.** May God bless you and your family with all these **COLOURS, Happy Holi!**

Yours in wheel,

*Meghna Lohia*

## In Aid of Technical Education

A Report by **PP Sunita Jalan**

**15 computers** donated at Lathbagan

On 19th February 2019, our club participated in a little action that propelled forward the technical education of 500 young students. **Latbagan High School** is a school located inside the Army and Police Housing Complex at Barrackpore Police Academy for the officers' children and for civilian children. The school has a big computer room that caters to the educational needs of its students. Though well-maintained, there was a paucity of computers. Now, with our club donating **15 more computers**, it is now well equipped to brighten those young minds.

When sharing his vision with the students, **Chief Guest DIG Mr. Dipankar Bhattacharya** rightly said, *"You are the future of our country. When we grow old, we shall pass the baton to you. So it is your duty to equip yourselves and master computer knowledge especially as technology and digitisation is the future."* He praised our club and acknowledged that he needed organizations like ours to take the initiative and come forward to assist him in his endeavour to make schools self sufficient in all spheres of education. After the ceremony, we were showered with care by the Principal and Teachers in forms of tea and snacks.

The project was jointly inaugurated by **IWC Behala** in the presence of **District Chairman Indrani Chatterjee** and **PDC Sumita Roy**. The two inspired the children and us with their motivational words. Members present for the occasion were **President Meghna Lohia**, **Secretary Archana Gupta**, **PP Dipti Khaitan**, **PP Sarla Bhadani** and **PP Sunita Jalan**.

## Water Kiosk

Report by PP Meeta Lakhota

*Providing basic necessity- safe drinking water*

**"Jal hi jeevan hai!!"** - true to this saying, our Club installed and inaugurated a **Water Kiosk** on 19th February. The site is at Golpark on the footpath just beside Ramkrishna Mission Institute of Culture, where thousands of people pass during the day. As summer is fast approaching, this will be a boon for the passersby as it will provide cold filtered water for them to quench their thirst. There is also a police booth beside it. As you come down from the Gariahat flyover towards Golpark, you will see the Inner Wheel logo on the booth very prominently, thus making people aware of Inner Wheel. The kiosk was inaugurated by our **District Chairman, Indrani Chatterjee** along with **President Meghna** and **Maharaj Supurnanandaji from Ramkrishna Mission**. On a lighter note, when Maharajji saw a bevy of Inner Wheel ladies attending the inauguration, he went back to the mission to bring with him a group of more Swamis so that he would not feel outnumbered!! **PP Geetika Khaitan** was so overwhelmed with the project that she decided to go barefoot to the water kiosk site.

The attendance of our members was really heartening and this shows that we all appreciate the meaningful and many projects that are being done during this Inner Wheel year. The kiosk has a water filter and a cooler and has been built in association with Jal Seva Trust.

Members present were **President Meghna Lohia**, **Secretary Archana Gupta**, **Treasurer Dipti Chamari**, **PP Renu Bagrodia**, **PP Dipti Khaitan**, **PP Sunita Jalan**, **PP Sarla Bhadani**, **PP Geetika Khaitan**, **Shanti Shah**, **Saroj Kedia**, **Uma Modi**, **Kiran Ganeriwala** and **Mridu Somani**.

## HUSBAND'S DAY OUT!

A report by **Mamta Saraf**

"Husbands Day Out", an annual most-awaited programme was held on 13th January at a non descript spacious marvelous 'Poddar Farm House'. Our-very own member **Vinita Poddar** graciously let it out for the occasion. It was a picturesque site away from the hustle and bustle of the busy city life, where on the lovely winter Sunday morning all the enthusiastic spouses gathered to play games, enjoy the great scrumptious food and let their hair down for some good, simple fun!

The event started with the lighting of the lamp and a torch was lit by **President Meghna** which initiated the start of the games, a la Olympic style!! Right from the welcome drink, to hot live bar-b-que starters to desserts, each and every one enjoyed the palatable lay out.

**Chairman PP Sunita Jalan, Savita Nevatia and Sonam Parasrampur**, assisted by **Monika Kejriwal and Dipti Chamaria** left no stone unturned to ensure smooth sailing of the day's events, organizing out-of-the-box outdoor games for all spouses present. It took everyone back to school days, fighting for that one single point to win. Prize winning ceremony was worth the wait and was a delight to watch. Gold and silver medals were given to respective teams. Winners were acknowledged by prizes. Kudos to the entire team for their relentless efforts...superb coordination...and amazing planning. It was a day well spent with congenial camaraderie between 31 members and 24 spouses!

## An Inner Wheel Day Out !!

A Report by **PP Aruna Murarka**

On 21st January, a beautiful bright winter morning, we Inner Wheel members with President Meghna, headed for the village **Dashghara** – a two hour drive for the inauguration of a HALL constructed by IWCCC for Prithwish Chandra Kanya MahaVidyalaya.

This vision of **Ms. Paramita Biswas** - that education is the crux for empowering girls to help them evolve, to make them self-dependent- was the driving force which made her dream become a reality. Single handedly for the past two years she had been doing the rounds of Burdwan University, for its affiliation to start a Girls' College at Dashghara village, where she has started a school for girls since last 20 years. Finally it was sanctioned and the ball was set rolling.

Our club IWCCC had the opportunity to facilitate the opening of the College by contributing financial aid to build a HALL to start, as one of the criteria of the University was to have a separate campus for the college!! The land for which was donated by Ms. Paramita Biswas herself.

A warm welcome awaited us and we were greeted by none other than our own **PDC Bhabani Dhar** –The Principal of the College!!

*Ancient terra cotta temple, Dashghara*

An array of delicious mishti, daab fresh from the trees!  
Hospitality the *Bengali way*!!

There was positivity all around, surrounded by beautiful greens, a perfect environment for studying – a feel of the gurukul days!! Ms. Bhabani Dhar, Ms. Paramita Biswas welcomed us, voiced their feelings and gratitude for partnering in the project.

The teachers and students had prepared a small programme- well executed. Inspired by this, our own member Kanchan Somani – impromptu recited a poem in Bengali which touched everyone's heart. President Meghna expressed her gratitude and the satisfaction of doing such a worthy project- with the efforts of PP Renu Bagrodia, an integral part of the Institution.

**Our club donated 6 computers to promote E-learning amongst girl students of the College.**

As a token of appreciation, tea boxes were distributed to the teachers and staff members.

**Impressed by the dedication and genuinity of the work, we committed scholarship for 10 students as well!**

It was not over yet! A sumptuous Bengali home made lunch by Paramita Biswas was awaiting under the trees!! Finally after feasting on the delicious delicacies and a round of *garam garam chai*, it was time to depart.

It was an Inner Wheel day to the tee !! of service and fellowship!!

From the moment we sat in the bus, non stop fun, laughter, unending antakshari continued!! The birthday of Saroj Kedia was celebrated with fun and galore, breakfast and Darshan at the beautiful Hanuman Mandir at Dankuni, visit to an awesome terracotta temple of Biswas Bari at Dasgraha and finally the inauguration! A day of complete satisfaction in all ways!!

Attended by President Meghna Lohia, Secretary Archana Gupta, PP Aruna Murarka, PP Sudha Choudhury, PP Renu Bagrodia, PP Shashi Khandelwal, Dipti Chamaria, Shanti Shah, Kiran Ganeriwal, Saroj Kedia, Seema Gupta, Kanchan Somani, Vinnyta Agarwal, Mridu Somani.

Shopping at Dhaniakhali for sarees is still a pending agenda during our next visit !!

## AAGAMAN 2: Second Anniversary of Apnalay

A report by IPP Riju Chamaria

**When a team comes together, success follows... Apnalay – the home for seniors, built and run by our club is a shining example of this!**

It is a matter of great satisfaction and pride that Apnalay has completed two years of its successful running. It had started two years back in February 2017, under the leadership of the then President Kavita Shah.

The 2nd anniversary of Apnalay, Aagaman 2019, was held on 4th February 2019. The day was observed with a cultural performance by **Sapta-Lehari** – a performing art group. The members of the group aged from 7- 70 years entertained the audience with Rabindra Sangeet, recitation and folk dances. The residents and our members too joined in singing, dancing and enjoying the evening as one of the most memorable.

**Manisha Agarwal** took the lead and organised the program in a befitting manner. As usual the members chipped in with tit bits. **Archana Gupta, Kiran Ganeriwal, Archana Agarwal, Seema Gupta, Manisha Agarwal, PAP Mamta Agarwal** and yours truly were present to cheer and celebrate the day.

Today, Apnalay has more than 50% occupancy with 17 permanent boarders who have made it their own home. Each one of them is happy and satisfied with the services and the personal touch of our members. The dedicated team of Apnalay staff deserve accolades for their commitment and the care which they are providing.

Kudos to the members of the Apnalay Working Committee who are looking into the running of the home and it's day to day affair!!

Three Cheers to Apnalay and **President Meghna Lohia** for encouragement and for always being there!

*Inaugural Ceremony with a touch of Indian Culture*

**The 15th Inner Wheel Triennial Conference was held in Pune on 8th, 9th and 10th of February 2019.** The ISO meet '**Kafila**' on the first day brought together all ISO post holders from across the country in a fashion show and the flags were exchanged. Since our ISO **Savita Nevatia** could not attend the same and she handed about 20 flags to me which were exchanged and the final count was a good two dozen.

More than 1500 delegates were present and the usual fellowship and camaraderie was evident among everyone. Members from Bangladesh, Nepal, Africa, Turkey, Australia and UK were also present. It was a delight to interact with so many IW members having the same goals of social work and service above self. The inaugural ceremony saw our very own **AVP Mamta Gupta** with the Association Flag in the Flag Parade. It was a matter of immense pride for us to see her next to the **IIW President Christine Kirby** and the **Association President Smita Pingale**.
