## President speaks...

Dear Friends,

The highlight of this month was our exhibition '**Temptations Plus**' – our pre Holi fundraiser which attracted a lot of footfall keeping our exhibitors as well as shoppers busy and joyous.

Chairmen **PP Ruchika** and **PP Dipti** did a fantastic and praiseworthy job of tempting Kolkatans to make a beeline for shopping to their heart's content. We had participants from all over the country making our exhibition very attractive.

Team work is very crucial for any success and the team at '**Central**' proved this once again. **Sunita Jalan** deserves a pat on the back for arranging the beautiful decorations and **Seema Gupta** for organizing the delicious food for all of us. I appreciate the efforts and energy put in by **PDC Mamta**, **PP Kamini** and **PP Aruna**.

I am thankful to our chief guests **Ms Alokanda Roy**, District Chairman **Rupa Mukherjee** and RCCC President **C P Ganeriwala** for gracing the inauguration.

I thank all the club members for their invaluable support and cherish the three days of fellowship and camaraderie enjoyed by all of us.

*"Life is no brief 'candle' to me. It is a sort of splendid torch which I have got hold of for the moment, and I want to make it burn as brightly as possible."* – **George Bernard Shaw**.

Salutations to the torch in each one of us and may we burn brightly enough to light the world.

Yours-in-friendship,

– **Deepa Banka**

## Hearty Matter at Rabindranath Tagore Institute of Cardiac Sciences

**26th Mar:** The club contributed ₹25,000 for the heart operations of three infants – Dibyo, Angshu, Subhadip – born with a hole in their hearts, at the RTICS. President Deepa, PP Geetika, Shashi, Seema and Anuradha Johri of RTICS are seen here. **Seema Gupta** donated blood at the same institute. Well done Seema!

# Feedback

*"The March issue of ECHO is one of the best bulletins of the year! So meaningful, so much to think and assess for the word "ME"! The 1st team Central of 1989-90 leaves one nostalgic and wondering if the motivation for service then and now have the same ardency and enthusiasm or is it more about personal achievements?"*
