to our associates

President speaks...

Dear Friends,

I Wish you all a very happy 2013.

Mahatma Gandhi said *"The best way to find yourself is to lose yourself in the service of others."*

To progress further on this path of service, we have added another fund raiser. It is an honourable moment for us at Central Calcutta to launch our latest edition of Temptations – **TRINITY**. After the resounding success of **Temptations** and **Temptations Plus**, we have come up with our 3rd edition – **TRINITY** which is so aptly named.

Our popularity among all exhibitors and shoppers alike has made **Temptations** a household name with people clamouring to be associated with it.

The exceptional selection of our product range as well as the endearing nature of our members adds to the magic of **Temptations**.

Hoardings all over the city, Newspaper advertisement coverage in collaboration with **T2** as well as radio publicity by **Red FM 93.5** help in publicising our event and increasing footfall.

I thank our celebrity Guest **Mrs International 2011-12 Richa Sharma** for graciously consenting to inaugurate our exhibition, on such a short notice. We appreciate her kind gesture.

I applaud Chairman Trinity – **PDC Mamta Agarwal, Meghna Lohia** and entire team for working untiringly to make this event a grand success and in turn help realise our dream of opening **Apnalay** soon.

Yours-in-friendship,

– Deepa Banka

What will make **KOLKATA** a **better city**...

What I Like/Dislike about Kolkata.

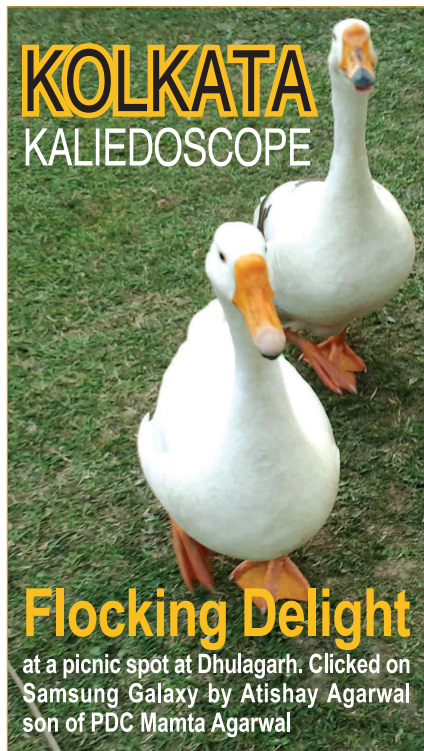

Kolkata is a beautiful city full of warmth and joy. Born and brought up here, I have fallen in love with the enchantment of this city which is neither too modern nor too rustic.

Clean & Green city

I really wish people here would wake up to the need of keeping the city clean and green and do away with their habit of throwing garbage wherever they wish.

THE WORLD DIARY

Newsweek's print edition bows out with hashtag cover

■ **26th Dec:** Almost 80 years after going to print, the final Newsweek magazine hit the newsstands featuring an ironic hashtag as a symbol of its Twitter- era transition to an all-digital format. The second largest news weekly magazine in the US has been grappling with a steep drop in print advertising revenue, steadily declining circulation and the migration of readers to online. Its first issue came out on February 17, 1933 and for its final cover, dated Dec 31; it had an aerial archive shot of the magazine's NY headquarters as the backdrop and **# LASTPRINTISSUE** – the word print emblazoned in red ink.

INDIA INDEX

A day which everyone was dreading

Cheerful Kashmir!!

Dec 28: Kashmir on Friday came close to realising its dream of train connectivity with the outside world after Indian Railways held a successful trial run of a train connecting the valley with Jammu's Banihal. The train passed through an 11.2 km long Pir Panjal Tunnel- billed as Asia's second-longest and country's longest railway tunnel. The cheering crowds greeted the train as it chugged through a newly constructed 17.7 km Banihal Qazigund stretch.

Perseverance Pays...

Dear friends,
It is a matter of great pride for all of us at "Central", to present a sequel of Temptations - a very popular exhibition, named **Temptations Trinity**.

The tripod – **Passion, Perseverance and Performance** – on which it stands on tells the ethos of Temptations launched way back in July 1989. It began with a purpose and a lot of **Passion** in our hearts to serve the needy and the society at large.

Our constant **Perseverance** to serve brought us to Temptations Plus, an addition made in 2003, but we did not stop there, and marched ahead nonchalantly.

The third leg of this tripod of **Passion, Perseverance and Performance**, which completes the trinity, is being launched today – and we have **Performed** with élan.

I feel extremely happy and satisfied, both as the editor, presenting this special issue of **Temptations Trinity**, and as the person in charge of the same. I have thoroughly enjoyed working hand in hand with **Meghna Lohia**, who has shouldered most of the responsibilities for its first edition. The meaningful and timely inputs by **Aruna, Kamini, Riju** and **Vasundhara** also deserve special mention. My heartfelt thanks to **Rtn Prasan Lohia** and our associate **Merino Group** for their support.

Friends, our journey shall not stop here. Let us **Pursue** our dreams and find new **Paths** to serve and to be meaningful in our existence.

Wish you a very **Peppy** 2013!

– **PDC Mamta Agarwal**, *Editor*
